Through the Director of Public Health, Madras.

Sir, " Janab.D.Abdul Rawoof Sahib Bahadur, B.A.,B.L., M.L.A. F.A.U., Chairman M.C., Bellary.

Owing to the threatened out break of plague and to the dearth of Plague Inspectors, the I Class Vaccinator of this Municipality was appointed as Plague Inspector. Applications were called for. Since the candidates selected failed to join duty and since there was a trained II Class Lady Vaccinator available on the spot, I was forced to appoint her for a short period of one month from 21st February 1941 to 21st March 1941. The appointment was approved by the Director of Public Health in his letter No.900-2-/41 dated 17th February 1941. I am enclosing a copy of the Council's resolution for converting the post of I Class Vaccinator into a post of woman II Class Vaccinator for a temporary period of one month. I request the Government to accord sanction the same as a temporary measure.

2. I may also add that the services of the Lady Vaccinator have been dispensed with and I Class Vaccinator joined duty on 8th May 1941.
